

# Utah Rocky Mountain Bikers

## URMB Club Information

Do you like to ride? Have you ever wondered how you can give back to the mountains? Join us, a club of mountain biking enthusiasts centered in Utah County. We are riders, trail builders, trail advocates and partners with other trail users. We look beyond the next bend in the trail and the next ride to ensure trails for the future. URMB currently has adopted the Bridal Veil Falls to Squaw Peak Road section of the Bonneville Shoreline Trail located in Provo Canyon. URMB is an IMBA affiliated and insured club. We follow IMBA Rules of the Trail.

We need you to maintain trails and keep them open for Mountain Bikers. Club Activities: Trail Building , Trail Maintenance and Instruction, Weekly rides during the summer months, Bicycle maintenance and wheel building classes. We currently conduct trail work and trail-advocacy with Uinta National Forest Service and Provo City. URMB will never let meetings interfere with riding! There are many directions URMB can grow with support, i.e. IMBA MTB Patrol, Swap meets, Family Rides, Beginner Rides, etc. Join up and help us grow! Membership fees are used to cover club costs (insurance, website fees, T-shirts, etc.).
